Faculty awards from 2010 Commencement Ceremony

May 19, 2010

The following faculty awards were presented at the Freeman School’s 2010 Graduate Diploma Ceremony.

Irving H. Lavalle Research Award

Established in 1996, this award recognizes professors for excellence and advancement of the highest standards in research and for contributions to the faculty members' academic fields of interest.

- **Michael Burke**

James T. Murphy Teaching Excellence Award

Established in 1994, this award recognizes professors in the Bachelor of Science in Management and the Master of Business Administration Programs for excellence and advancement of the highest standards in teaching. Selection is based on student vote, course evaluations, and review by a committee of students and administrators.

- **Christopher McCusker**

Outstanding Young Researcher Award

This award was established to recognize outstanding research by junior faculty members.

- **Zhi Li**

Erich Sternberg Award

Established in 1987 by the Erich Sternberg family, this award is given to a member of the Freeman School faculty in recognition of current contributions to that faculty member's academic field of interest.

- **Gregory Oldham**

The Howard W. Wissner Award

Presented each year to outstanding faculty members to recognize excellence in teaching, this award was established in honor of Howard W. Wissner, an exceptional professor who won the admiration and respect of all those with whom he came into contact with.

- **Michael H. Hogg, Undergraduate Courses**
- **Deen Kemsley, Graduate Courses**
