

[TheStreet.com: Conscious Capitalism: Tulane MBAs In Argentina](#)

April 28, 2011

The Street

From [TheStreet.com](#), April 27, 2011:

Tulane University has built a national reputation for public service in recent years. Now, that reputation is going global. Adding to the university's list of international service projects, a group of MBA students in the A. B. Freeman School of Business pitched in with recent volunteer work in Argentina.
