NOLA.com: New Orleans is growing the next generation of startups

March 28, 2019

Rob Lalka, professor of practice and executive director of the Albert Lepage Center for Entrepreneurship and Innovation, co-authored an Op-Ed for NOLA.com with Idea Village CEO Jon Atkinson about the city's entrepreneurial renaissance and their goals

for New Orleans Entrepreneur Week.

> Together, Tulane and The Idea Village are fully committed to that build-it-bigger and pay-it-forward mentality. We hope NOEW 2019 will add immediate value to our innovation economy, while planting new seeds for tomorrow's entrepreneurs.
