Courthouse News Service: Lion of a Year on Wall Street Goes Out Like a Mouse

January 2, 2021

Peter Ricchiuti, senior professor of practice and founder of Burkenroad Reports, was interviewed by Courthouse News Service for a story about the stock market's performance in 2020 and outlook in 2021.

"As 2021 unfolds, it will become more obvious that corporate America has created meaningful inefficiencies during the pandemic," said Peter Ricchiuti, a finance professor at Tulane University. "For white-collar employees, these could include anything from remote working to the realization that jobs could be combined and there would be less need for so many workers."
