

The Advocate: New Orleans Tech Startup Sells for \$500 Million

September 28, 2021

[Rob Lalka](#), Lepage Professor in Business and executive director of the [Lepage Center for Entrepreneurship and Innovation](#), was interviewed by the [New Orleans Advocate/NOLA.com](#) for a story about local tech startup Levelset's acquisition by [Procore Technologies](#) for \$500 million.

“Construction liens weren’t as flashy as being the next food delivery or dating app or a social network, but they accomplished something great by building a product that created value for an overlooked customer, and that should be a wake-up call for other New Orleans entrepreneurs.”
