Research Notes: Ian Ho

October 24, 2023

Yi-Jen “Ian” Ho’s working paper “AI Enforcement: Examining the Impact of AI on Judicial Fairness and Public Safety,” co-authored with Wael Jabar and Yifan Zhang, received the 2023 INFORMS ISS Cluster Best Paper Award from the INFORMS Information Systems Society. The paper is currently in preparation for submission to *Management Science*. Ho is an associate professor of management science.
