Video: CPA Exam Preparation in the Master of Accounting program

April 11, 2023

We're one week out from tax day... and many news outlets are reporting a shortage of accountants. Did you know that each student in the Master of Accounting program gets one-on-one advising to prepare for the CPA exam? Because the requirements are different in every state, it's important to plan coursework for the state where a student wants to work. Senior Professor of Practice Christine Smith explains in this video.
