Marketplace: Could TikTok alternatives RedNote and Lemon8 be banned?

January 14, 2025

Rob Lalka, Albert Lepage Professor in Business and professor of practice in management, was interviewed by Marketplace for a story about prospects for TikTok alternatives if the app is banned in the U.S.

> Big Tech companies have launched competitors, like Meta's Instagram Reels and Alphabet's YouTube Shorts.
>
> "But both have faced challenges," Lalka said. "Their short-form video features are just part of their offerings, while TikTok remains singularly focused on quick and addictive content with an algorithm that's amazingly attention-grabbing."
