## The National Desk: Perplexity AI makes pitch to buy TikTok

March 21, 2025

<u>Ashley Nelson</u>, senior professor of practice in management communication, was interviewed by the <u>National Desk</u> for a story about search engine <u>Perplexity Al's</u> proposed bid to acquire TikTok.

"I think Perplexity thought they may have a win because they were going to open it up to government ownership and they're saying we're going to be open sourced, which means a bit of transparency, but it's still not enough transparency for the company."
