

## [CNET: Anthropic Eyes an IPO as Big Tech's AI Cash Crunch Comes for Wall Street](#)

June 2, 2026

[Rob Lalka](#), Albert Lepage Professor in Business, was interviewed by [CNET](#) for a story about the possibility of an Anthropic's IPO, which will enable the company to raise significantly more capital than it's been able to raise on the private market.

"The scale of it's eye-popping," said [Rob Lalka](#), a business professor at Tulane University. "The fact that this company raised as much as they had raised, and they ran through quite a bit of money pretty quickly as they got here."
